How do I clear my browser cache?

Instructions below for Chrome, Firefox, Edge, and Safari browsers. As Microsoft no longer supports security updates for the Internet Explorer, **please do not use Internet Explorer to access Citywide applications.**

Please contact your Department IT staff if you need assistance clearing your cache or installing Firefox or Chrome.

Google Chrome

1) Open your Chrome browser and click the **menu** (3 dots) in the top right corner

2) Select More tools

3) Click **Clear browsing data** (or use the keyboard shortcut Ctrl+Shift+Del to jump straight to step 4)

4) Click Advanced

5) For **Time range**, select **All time**

6) Select all items to ensure all data and files are cleared

7) Click Clear data

8) Under Privacy and security, click Site Settings

9) Click Cookies and site data

10) Turn on **Clear cookies and site data when you quit Chrome** to ensure your cache is cleared after each browser session

Basic	Advanced 4
